Dear Rachael,

It is my pleasure to inform you that your school's literary magazine, *InkFlow*, has been selected to receive a rank of Excellent in the 2018 NCTE Recognizing Excellence in Art and Literary Magazines (REALM) Program. The National Council of Teachers of English congratulates you and the students who produced this exceptional publication. You have inspired a love of writing and built a community around the written word that your students will remember for the rest of their lives.

The mission of NCTE's REALM Program is to publicly recognize excellent literary magazines produced by students with the support of their teachers. REALM is designed to encourage all schools to develop literary magazines that celebrate the art and craft of writing. Your magazine is a fine example of this mission in action, and the REALM committee looks forward to seeing future publications from your school!

The listing of all ranked magazines is available on the NCTE website.
